

Drivers CPC 2009

The Requirement

All professional Cat C, CplusE and C1 drivers will be required to attend 35 hours of training in every five year period from 10 September 2008. This training is known as "Periodic Training". For existing drivers who hold an LGV Licence acquired before Sept 09 their first five year period will cover 10 September 2009 to 09 September 2014. This means that all existing drivers will need to complete their 35 hours training by September 2014.

We are able to deliver the required courses. For further details please contact us.
