

NVQ in Storage and Warehousing (Level 2)

Who is the course for?

The level 2 qualification is designed for an employee working in roles such as a warehouse operative or goods removal. They must demonstrate a sufficient level of competence to complete 2 mandatory units, plus 3 out of 5 optional units to gain the full award.

Course Units

Mandatory Units:

- Contribute to effective working relationships
- Contribute to the maintenance of health, safety and security in the workplace

Optional Units – select 3:

- Receiving loads and dispatching goods
- Placing goods in storage
- Assemble orders for dispatch
- Maintain the safety and quality of goods
- Maintain hygiene standards in handling and storing goods

Additional Units:

- Operate specialized plant and machinery to perform requirements
- Lifting and transferring
- Lift, transfer and position loads

Delivery

NVQs are delivered on-the-job in the workplace. On average an NVQ lasts 6-9 months.

Funding
